Notification

All submitters receive a written positive or negative reply until beginning of October 2023 via e-mail to the aforementioned contact address. We kindly ask you not to inquire in written form or by phone.

Every submitter is obliged to provide a screening copy to the festival, should his/her film be chosen for the program or one of the contests. The screening copy has to be received by the festival no later than November 1, 2023. Detailed transport information will be provided in time. The submitter guarantees that a screening copy in the named format is available for the duration of exground filmfest. If the original version is not in English or German, the screening copy must have English or German subtitles.

Film transport

The costs of sending viewing copies and screening copies to exground filmfest are to be paid for by the sender. This also applies to copies forwarded from other festivals, in which case the applying parties must make the appropriate arrangements with the relevant festivals. All screening copies from non-EU member states must be clearly marked with a customs declaration stating the following: „For cultural purposes only. No commercial value.“. Parcels from non-EU member states must also be accompanied by an invoice stating a value of no more than USD 10 (under no circumstances should higher production costs be given). Costs arising from incorrect declarations will be charged to the account of the sender.

Insurance of copies

The festival covers the cost for the film insurance according to the worth of the copy, starting with the arrival in Wiesbaden until returning it to the transport service.

Publications

The festival has the right to use excerpts and pictures from the submitted films for promotion and public-relation purposes.

Regulations

The regulations are available in German and English. In cases of doubt, the German version is authoritative.
